WATER

Istruzioni di montaggio

- Smontare il serbatoio del miscelatore lato sinistro del veicolo.
- Togliere dal serbatoio olio miscelatore i particolari indicati in **Fig. 1** e montarli sul radiatore Malossi.
- Installare il radiatore (**Fig. 2**).
- Tagliare il tubo fornito in 3 segmenti (**Fig. 3**), verificando preventivamente le lunghezze sul proprio veicolo.
- Collegare i 3 segmenti come da **Fig. 4**.
- Collegare il tubo di sfiato dal radiatore Malossi al radiatore originale (**Fig. 5**).

Si consiglia -nel caso non venga utilizzato il vaso di espansione- di mantenere il livello del liquido 3 cm sotto il tappo di carico.

Assembly instructions

- Remove the mixer tank on the left side of the vehicle.
- Remove the parts shown in **Fig. 1** from the mixer oil tank and fit them to the Malossi radiator.
- Install the radiator (**Fig. 2**).
- Cut the hose supplied into 3 segments (**Fig. 3**), checking the lengths on your vehicle beforehand.
- Connect the 3 segments as shown in **Fig. 4**.
- Connect the breather pipe from the Malossi radiator to the original radiator (**Fig. 5**).

It is advisable - if the expansion tank is not used - to keep the liquid level 3 cm below the filler cap.
